

Victor Strokov

B2B Business Lead

Moscow | [Telegram](#) | strokov.victor@gmail.com | [LinkedIn](#) | [Portfolio](#)

B2B business development through industry data and corporate client research. Currently launching and developing paid market bulletins, with 7 brought to market. Previously launched 10+ price indicators and 2 paid information products serving 30+ B2B clients, coordinated auction automation and implemented deal evaluation analytics.

Professional Experience

ChemInsight	2025-present
--------------------	--------------

Independent Consultant

Petrochemical price reporting agency. Bulletin launches; coordination of experts, editors, designers and contractors.

- Launched 7 paid market bulletins serving 10+ B2B clients; established regular publication.
- Documented production and publication workflows in BPMN to align work stages and team responsibilities.
- Built a publication calendar, a bulletin development plan and a client database to plan releases and develop coverage around B2B client needs.

National Mercantile Exchange	2021-2024
-------------------------------------	-----------

Head of Methodology

Moscow Exchange Group. 1 direct report; coordination of colleagues and contractors.

- Launched 10+ agribusiness price indicators and developed their calculation methodologies.
- Launched 2 paid information products serving 30+ B2B clients.
- Developed commodity auctions: during my time at the exchange, participation grew from 2 to 400+, the product range reached 200+ items and delivery locations reached 50+.
- Coordinated the development and implementation of a frontend system for auction bid processing; bids increased more than 2-fold after implementation.

Lukoil-RNP-Trading	2020-2021
---------------------------	-----------

Leading Specialist, Business Development

Trading company within the Lukoil group.

- Developed and implemented a deal evaluation system across sales channels and delivery locations.
- Compared market prices, competitor offers and deal costs to support commercial decisions.

Kalashnikov Group	2018-2019
--------------------------	-----------

Marketing Research Manager

Product marketing department, civilian markets.

- Built a research and analytics system for the product marketing department.
- Integrated a business intelligence (BI) system to compare market data and assess commercial opportunities.
- Contributed to the development of new B2B products.

Thomson Reuters

2014-2018

Market Analyst

Reuters news agency and the Eikon terminal at the time.

- Developed Eikon information products and contributed to analytics dashboards; 1 product attracted 3 B2B clients.
- Prepared 1,000+ news, review and analysis pieces reaching 20,000+ readers.
- Delivered workshops for Eikon clients and spoke as an industry expert at conferences.

Selected Projects

Mad Burglar Cat

2024-present

Founder

Apparel and home textiles. Previously run with a full team, the project has since transformed into small-scale hobby production.

- Built a Tilda store with CRM, payments and logistics; coordinated content and design contractors.
- Launched 10+ products and managed the full processing cycle for 100+ orders.

MappNgo

2019-2020

Founder, iOS App Project

- Defined the concept, coordinated outsourced design and development, and tested an iOS MVP with acquaintances.
- Closed in 2020 before public launch, amid COVID-19 restrictions.
